

Troop 202

Adult Position – Mentor to Quartermaster of Cooking & Light

Position: Mentor to Quartermaster of Cooking & Light

Incumbent: (open)

- Key Tasks:
- Complete and maintain current Safeguarding Youth training and Diocese Protocol training.
 - Serve as a mentor and positive role model to the youth in the Quartermaster of Cooking & Light role.
 - Meet with the Quartermaster of Cooking & Light to develop goals for the leadership term, consistent with their job description and the troop's needs. Consult with the lead Mentor to the Quartermaster team to ensure alignment of goals and priorities.
 - Become an expert on the troop's cooking gear, camp lighting gear, and fuel. Know where each item is stored, how to use it, how to maintain it, and how to repair it.
 - Know the proper sequence of steps to connect and disconnect a propane cylinder from a camp stove or lantern, and how to use a propane tree when sharing fuel between two devices.
 - Coach the Quartermaster of Cooking & Light in keeping all cooking equipment and lanterns in good repair and properly stored.
 - Help coach the Quartermaster team on establishing, communicating, and using effective methods for gear issue and return.
 - Help coach Scouts on safe and correct care and use of gear.
